

BLOWERS

Shindaiwa Blowers feature incredible power and two of the largest displacement engines in the backpack market.

Each backpack model features double-adjusting shoulder straps, padded backrests, and ergonomically positioned controls for all-day comfort. The handheld blowers are durable and powerful, offering excellent fuel efficiency.

EB252 

Shindaiwa's best value handheld blower.

- 25.4 cc 2-stroke engine
- Category leading blower performance
- Double-grid intake design reduces clogging
- Exclusive curved blower tube provides rotational control reducing fatigue

EB262  **NEW**

Shindaiwa's Best-in-Class handheld blower loaded with professional features!

- 25.4 cc 2-stroke engine
- Pleated paper main filter and foam prefilter for use in dusty conditions
- Second handle allows two-handed use for reduced fatigue and improved maneuverability

EB600RT 

A combination of dependability and comfort with economical performance.

- 58.2 cc 2-stroke engine
- Exclusive Posi-loc™ system
- Tube-mount throttle with cruise control
- Back-cooling fan intake for increased user comfort in hot weather

EB633RT 

Mid-level commercial backpack blower offers exceptional durability and performance.

- 63.3 cc 2-stroke engine
- Large top-mounted pleated paper filter for use in dusty conditions
- Tube-mount throttle with cruise control
- Exclusive Posi-loc™ system keeps blower pipes securely attached

EB802 

Powerful backpack blower includes round and turbo pipes.

- 79.2 cc 2-stroke engine
- Comfortable back and shoulder pads
- Available with either a hip (EB802) or tube mounted (EB802RT) throttle control

EB854 

Shindaiwa's biggest and most powerful blower with an incredible combination of air volume and air velocity.

- 79.7 cc engine
- Comfortable back pad and shoulder straps
- Available with either a hip (EB854) or tube mounted (EB854RT) throttle control
