

EDGERS

Shindaiwa's Edgers make it easy to leave a perfect edge, every time. Commercial features, such as a height-adjustable guide wheel, open-face shield, and steel skid plate, combine with a high-performance engine to power through the toughest grass and dirt.

LE235

Entry-level commercial edger.

- 21.2 cc 2-stroke engine
- Durable cast aluminum debris shield
- 2:1 gear case to power through tough overgrown grass

LE262

Redefining the performance standard for professional landscapers in North America.

- 25.4 cc 2-stroke engine
- Durable cast aluminum debris shield
- 2:1 gear case to power through tough overgrown grass
- Two-stage air filtration system dramatically increases cleaning capability and allows for longer maintenance intervals
