The parts listed above (e.g. S91PX3572Q) include a two- or three-letter code that references the chain type. See detailed descriptions below.

**CHAIN TYPE**

- **LPX** - Low-vibration chisel cutters with ramped depth gauges, bumper drive links and standard sequence.
- **PXL** - Low-vibration semi-chisel cutter with ramped depth gauges, bumper drive links and longer top plate.
- **BPX** - High-vibration bumper drive links and longer top plate.

**ToughChest™ - 24**

**Chain Saw Case**

Solid, high quality carrying case for your chain saw featuring interior slots for files, chain, glasses, oil and more. Fits Shindaiwa saws with up to 20 in. bar. Dimensions: 20 in. L x 12 in. W x 12.5 H

Part #: 82001

**Bar & Chain Oil**

A special blend of lubricants and detergents that maximizes lubricity, reduces heat caused from bar and chain friction, minimizes resin build-up and facilitates chip and dust removal. 1 qt. Part #: 99909-55140 (12 per case) 1 gal. Part #: 81099 (4 per case)

**Chain Saw Safety Helmet System**

Features a hard hat with a 6-pt. ratcheting system to accommodate various head sizes and interior cushioning for comfort. Mesh face visor protects face from debris, and ear muffs provide hearing protection. NRR 22 dBA rating.

Part #: 82002

**SHINDAIWA ONE 2-STROKE ENGINE OIL**

- Formulated to meet ISO-L-EGD and JASO FD standards
- For use in all 2-stroke engines
- Delivers low smoke, temperature protection and fuel stabilization

Part #: 80037 6.4 fl. oz. (8) 6 packs
Part #: 80748 12.8 fl. oz. 24 per case
Part #: 81099 1 gallon 4 per case

**RED ARMOR® OIL**

Shindaiwa Red Armor Oil is a premium 2-stroke semi-synthetic engine oil formulated with powerful detergents and anti-oxidants to clean existing deposits, protect against future carbon build-up and promote longer engine life. With unique fuel stabilizers blended in, fuel stays fresh up to two years in a properly sealed container. JASO FD and ISO-L-EGD rated. Red Armor cleans and protects to ensure optimum engine performance and prolonged engine life.

**PERFORMANCE ABOVE ALL™**

- Reduces spark plug deposits
- Cleans and protects to ensure optimum engine performance and prolonged engine life.

**RED ARMOR® LUBRICANT**

Red Armor Lubricant sets a new standard in lithium-based grease. Special adhesives and tackifiers eliminate slippage and are impervious to water. With its enhanced performance capability, the product resists shock loads, ability to seal out moisture and contamination from critical components and corrosion resistance, Red Armor Lubricant is a high-performing, dependable grease to keep parts moving and lubricated for long lasting protection.

**IDEAL FOR:**

- Gear cases
- Spindles
- Cables
- Ball bearings
