TRIMMERS

Shindaiwa trimmers are big on power and low on weight. A variety of engine choices will help you find the right trimmer for the job. Blade-ready T262X and T302X add even more versatility to the line-up. Speed-Feed® cutting heads that reload in seconds without disassembly are standard on each model.

**T262**
Redefining the performance standard for professional landscapers in North America.
- 1.62:1 gear ratio provides more cutting torque
- Solid shaft drive
